Introducing Broken Vessels, a Gospel Music Ministry.

### **Scott and Lisa Roberts make up Broken Vessels.**

The two were married January 10, 2009 and started into Full Time ministry in June of that same year.

*"Scott and Lisa Roberts are extremely talented, but you will never find a singing group that is more focused on ministry than Broken Vessels. Their desire is to see the church encouraged, lost souls saved, and above all their Lord and Savior glorified. EVERY time I have been with them, these things have taken place. I trust them, and you and your church will be blessed through them."*

*Doug Farris  
Pastor, Muscle Shoals, AL*

*"Broken Vessels is a real blessing to any church and a credit to Christ."*

*Bishop Kelvin Copeland  
Pastor, Bastrop, LA*

#### The Testimony

**Scott** was born with a bone disease called Osteo Genesis Imperfecta. This bone disease causes the bones to be very brittle. His first break was when he was 3 weeks old and he spent much of his life with casts on his legs and arms. Many times he was in body casts from his chest to his feet. Through it all, and with parents that taught him to trust God in whatever condition or situation, he has turned stumbling blocks to stepping stones.

**Broken Vessels** has a testimony that will surely bless and inspire everyone who hears it! Scott is a little over 4 feet tall, and he walks with a walker that he calls "**The ScottRod**". The scars from his life are very evident. He is a broken vessel but has chosen to be a willing vessel.

**Scott** started playing piano when he was 6 years old. He traveled with his dad's groups; The Journeymen and The Gospel Echoes, and sung and played a little keyboard in between the group's sets. This placed a true love for Gospel Music in his heart. His family started The Ambassadors when Scott was 11 years old. He sung tenor and played bass guitar for several years until he assumed the pianist role for the group. Scott to join The MaHarreys, which brought two top 80 national radio releases; "Did You Forget God Today", and "I've Just Seen the Rock of Ages". Scott plays piano on every song that Broken Vessels perform on stage.

**Lisa** has loved singing since childhood and honed her skills through hard work and God given ability. She has won many awards for her talents. She majored in Vocal Performance at Southern Arkansas University and studied at Stamps Baxter School of Music. She has taken part in many choirs ranging from 10 to 300 voices. Lisa traveled throughout the South until one of her trips to Alabama introduced her to Scott.

*"We have been graced by the humility and giftedness of Broken Vessels at our church many times, and have always been uplifted and amazed by their ability to lead others into the presence of God. Scott and Lisa's musical gifts, sweet harmonies, warm hearts, and loving souls will bless your church! If you are looking for sold out servants of Jesus to come and ignite the passion of your congregation through testimony and song, Broken Vessels will lead you to the cross!"*
